

**Painterly Landscape Collage**  
Sunday, March 11, 12:30 – 4:30pm  
Instructors, Karen Bash and Lynne DeBoer

**Materials List**

The instructors will provide the following:

- 9" x 12" 300lb. rough watercolor paper to create artwork on
- Japanese rice paper and other decorative papers for collage
- Matte medium for adhering collage and varnish of finished artwork
- Brushes for use with matte medium
- Photo images as reference for creating a landscape

\$10 is due to Karen Bash at beginning of class for cost of these materials

Students need to bring:

- Watercolors

Bring whatever watercolors you have. Tube paints will be more effective than dried pan paints, as you will be able to get a thick application of paint with the tube colors.

- Watercolor Brushes

Bring whatever brushes you. Either flats or rounds are fine, but make sure you have some at least #10 or larger.

- Palette
- Water Container
- Rags and paper towels
- Pencil and eraser
- Scissors
