Materials List

Watercolors

If you have a set of watercolors bring what you have. If you do not have any watercolors buy a small portable palette. There are many brands on the market, however I recommend a Winsor & Newton set, as they have various options.

Pencils

- 2B graphite
- Dark blue or Indigo colored pencil
- Warm brown colored pencil
- Cool brown colored pencil

I will be using Faber Castell Polychromos colored pencils (these are oil based rather than wax based).

Paper

140 lb. cold press watercolor paper, no larger than 9" x 12". A spiral bound pad is best, as you can open it flat for working on site, and the paper doesn't come out.

Brushes

You may choose to use waterbrushes or traditional watercolor brushes that require a container of water.

Eraser
