

WILL CLOUGHLEY

From Concrete to Abstract: The Five Lenses of Perception

Required Materials for Students:

- Graphite pencils HB, H, and 2H in hardness
- Black felt tip marker, 0.5 width, such as the Staedtler Pigment
- Liner or MICRON brand. Perhaps other widths as well
- Pilot “Bravo” marker in black for a nice heavy black line that won’t bleed through
- A selection of Prismacolor colored pencils and a small hand sharpener. Can be purchased in sets of different sizes
- One wide carpenter’s type graphite pencil that is good for frottage
- One 8 ½” x 11” bound black, unlined artist’s sketchbook
